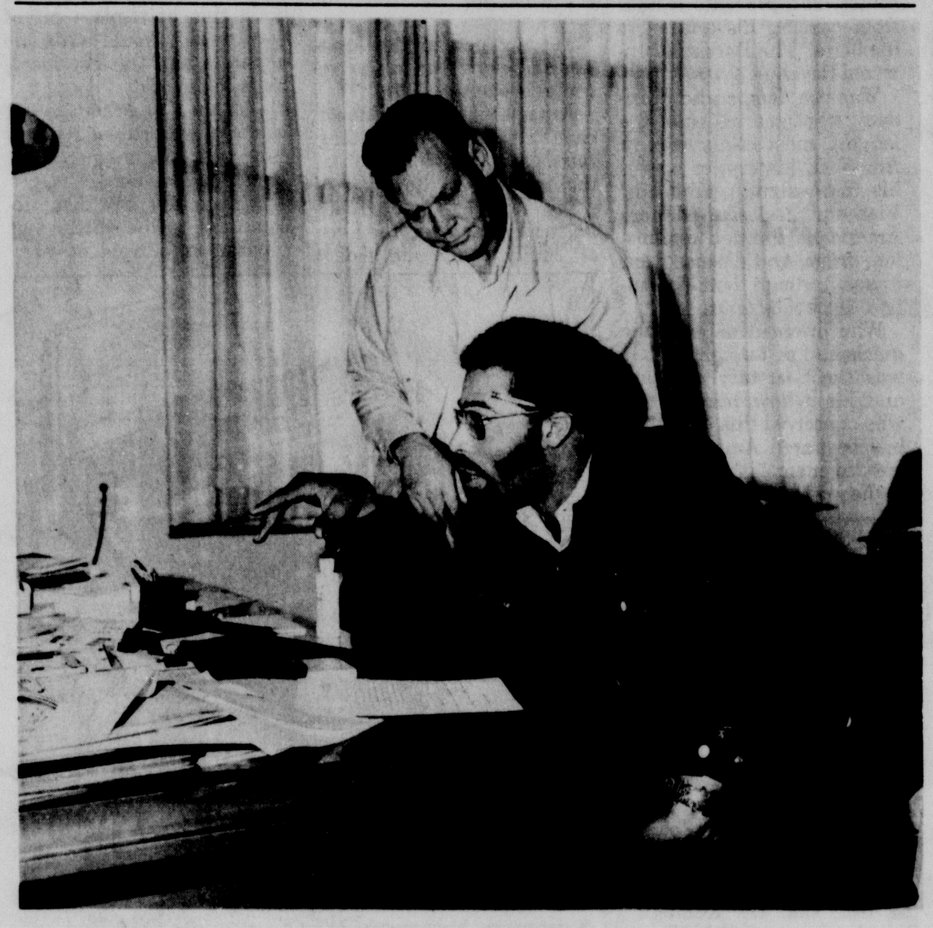
Construction Of 72-Unit Motel Begins Immediately In Canyon

Mary Raef, left, was crowned Halloween Queen at the annual Halloween Carnival sponsored by the Canyon Study Club. Shown with Mary is Marla Phillips, queen last year. Mary was sponsored by Alpha Delta Phi Alumnae sorority.



Franklin Thomas, vocal black leader on the West Texas State University campus, was charged with possession of a narcotic drug — marijuana by members of the Metro Squad Tuesday. With Thomas during arraignment is Metro Squad officer Dan Carter.

$400,000 Complex To Open In May

BY MARGO WILLIAMS

A 72-unit $400,000 motor inn will be constructed in Canyon with a completion date in May.

Zolon A. Wilkins, general manager of the Lexington Motor Inns said construction on the complex would begin immediately.

The motel will be built at the corner of U.S. 60 and 15th Street in the Hunsley Hills Addition.

Permit for the structure was issued Friday by city building inspector E.A. Collie.

Wilkins said each unit will contain a kitchenette and two sizes of rooms will be offered. The smaller unit will be a 250 square foot efficiency, and the larger will be 400 square feet.

Construction will be subcontracted in the area, according to Wilkins.

Lexington Motor Inns is based out of Irving and presently owns 11 other projects throughout the state, including Hurst Euless, Grand Prairie, Paris, Dennison, Arlington, Irving, Lubbock and Austin.

Wilkins said a property manager will be on duty at all times.

The project will be located on a lot of 275 feet by 350 feet, according to the general manager.

The $400,000 permit boosted the monthly building per-

Thomas Gets $2,000 Bond

Franklin Thomas, 26 years old, black leader on the West Texas State University campus and brother of Dallas Cowboy Duane Thomas, was nabbed by members of the Metro Squad early Tuesday on a narcotics charge.

Thomas has been a vocal presence on campus almost since his arrival here.

He was arrested around 8:30 a.m. Tuesday by Metro officers and arraigned before Justice of Peace W.A. "Bill" Wilson. Bond was set at $2,000 and Thomas was free on bond Tuesday afternoon.

He was arrested at 2320 Fourth Avenue, and Thomas lists his home in Dallas.

15th Street-U.S. 60 Pass Over Discussed

City commissioners will consider a resolution authorizing the city to enter into a right of way contract with the state for a pass over at 15th Street and U.S. Highway 60 at the 7 p.m. meeting tonight.

The state highway department has issued the contract to the city for consideration.

The grade separation will put 15th Street passing over U.S. 60 at the present intersection and connecting onto 15th Street in Hunsley Hills addition.

Perryton Friday

Eagles Lead District

The Canyon Eagles took a giant step toward their first District 1-AAA title ever when they whipped the Dumas Demons last week, but the biggest step of all may still be in the making.

Friday the Eagles will journey to Perryton, where they will meet the Rangers, who are probably the strongest district team they have met to date.

When head Coach Ron Mills was asked what the Rangers have looked like thus far he simply replied—"Notre Dame".

"No they really look more like Oklahoma. They are so big and strong they can really run the wishbone," Mills added with a smile, but a somewhat serious tone.

Mills said they he felt it would be a tougher game than the one the Eagles played against Dumas."They are the largest defensive team we have played and they have the largest running backs. Offensively they are probably stronger than Dumas—defensively they are about the same. They average about 220 on their defensive line."

The Eagles have been gaining strength each week and now have experienced depth at every position, with the exception of the end slots.

"I think that we will still

Trustees Hear School Counselors

Canyon School board trustees were "educated" in the school's guidance and counseling programs during the regular meeting Tuesday.

Five counselors appeared before the board describing their jobs, plans for the future and limitations of the programs that can and will be corrected in years to come.

Mrs. A.B. Holt, director of elementary programs, led the discussion explaining the importance of conferences between teachers and parents.

"All first grade teachers call on the parents during the first six weeks of school," Mrs. Holt noted.

After the initial call, teachers will call a parent if a problem arises involving a child, and parents are encouraged to contact the teacher during the school year.

"We also would like for our teachers to call parents when a child does show improvement," Mrs. Holt con-

4 Directors Named To C-C

Four new directors introduced at Monday evening's Chamber of Commerce meeting are Col. John Childs, Larry Hooper, Raymond Raillard, and Jim B. Brown.

Also discussed in WTSU's Activities Center were a basketball game to raise money to buy Christmas decorations and the appointing of a committee to nominate Chamber officers for 1972 and one to compile information to be used in promoting the western route E for the proposed I-27.

Basketball games between members of the Chamber of Commerce and KGNC Four-Flushers and the Women's Division and the Four-Flusherettes have been scheduled for Thursday, Jan. 27 in the

For Student Vote

"Intent" Questioned

BY MARGO WILLIAMS

Students right to register to vote in Randall County was hashed out in a heated meeting Monday of university student senators, two county officials and two state legislators.

Rep. Ben Bynum, Amarillo District 65, received support when he encouraged students to register where they attend school.

"You should vote here, so register here," he urged. "You intend to stay here until you change your mind, so register here."

Bynum was explaining his interpretation of the law that states that a student can not register where he attends school unless he intends to remain in that county after he ceases to be a student.

"You must intend to do something, so right now you intend to be here in school," Bynum exclaimed, waving his arms in what appeared to be a political campaign speech.

"Take your intent where you will, but get registered here and get involved," he pounded.

"You sleep here, you spend most of your time here. I don't think anyone is going to challenge you," the legislator continued.

Bynum explained he was on the committee that drew up the controversial voter registration bill.

"It was our purpose to get as many people registered as possible," he said. "We hope to register 6 million more Texans this year."

Rep. Bryan Poff, also of Amarillo but representative of Canyon and most of Randall County, quietly told students "a student must decide where he wants to vote."

Poff urged students to register now, and to register in Randall County if they truly intend to remain here following graduation.

"You must have it clear in your mind what your intention is," Poff urged.

"I don't think prosecution is a problem," he stressed. "But a student must know his intention."

Mrs. Audrey Bruse, county tax assessor-collector, and LeRoy Hutton, county clerk, met first with the Student Senator and explained voter registration laws pretaining to students and residency requirements.

Mrs. Bruse, stating the new law will be expensive to carry out, said many interpretations have been made.

"Many state leaders have given their own interpretations to the law, and some have had the opinion that a student will have no qualms about making a false statement to become registered," she quipped.

But she declared she would register any student who declares he intends to remain in the county after he ceases to be a student.

Mrs. Bruse told senators

Buffs Seek Second Straight Victory

The West Texas State Buffaloes will collide with the on again, off again New Mexico State Aggies in Las Cruces Saturday.

The Buffs will enter the game with a 2-5 record. The Aggies sport a very little better record at 3-4-1.

According to head Buff mentor, Gene Mayfield, "New Mexico State looks like some other teams we have played. Some weeks they have played well and other weeks they look like us."

"We are concerned about the fact that New Mexico State has played good football against such teams as SMU, New Mexico and the University of Texas at El Paso. But last week against Idaho, the team that beat us, they looked bad.

Ron "PO" James will lead the rushing attack for the Aggies. He is starting his fourth straight season for the Aggies. He has rushed for 557 yards and six TD's this year.

James has 3,670 career rushing yards and is rapidly closing in on Oklahoma's Steve Owens' mark, which was topped recently by Cornell University's Ed Marinaro.

James 1971 rushing mark does not top WTSU's sophomore running back Billy Pritchett, who has scampered for 671 yards on 149 carries this year. Mayfield says, "James is one of the great runners and must always be respected."

"They have a sophomore quarterback who is playing real well and throwing real well," Mayfield said. Joe Pisarcik, to whom Mayfield was referring, is a 6-4, 215 pounder, who has connected on 109 of 230 aerials for 1,308 yards this season. "Pisarcik is having fine year throwing the ball and has talented receivers," Mayfield added.

Injury-wise the Buffs should be in good shape. "Ed is awfully slow in making progress on his knee,

First Show Of "Our Town" Is Tonight

First of two performances of "Our Town" play will be held tonight at 8 o'clock in the Canyon High School auditorium.

Drama department is sponsoring the show which will feature around 16 high school youngsters.

Directed by Charles Wright, speech instructor, the play will cost $1 for adults and 50 cents for students.

The second performance will be at 8 p.m. Saturday, al-

Proposed PRPC By-Laws Eyed

Randall County Commissioners voiced concern and dislike for proposed changes to the Panhandle Regional Planning Commission by-laws at their regular meeting Monday.

Commissioners Bill Butler and Jim Fletcher, both representatives to the PRPC committee, said they disliked a provision in the by-laws that would make a 15-member board totally responsible for hiring all personel and setting a budget.,

"This new board would be able to act on the budget and all personnel, without the approval of the entire council," Fletcher declared.

"It would eliminate the need of the entire membership. The board of directors would run it," Butler explained.

Both men suggested the 15-member board should recommend to the entire membership rather than take all the action and then report back to the membership.

"If we follow the proposed change, we can read in the newspaper what goes on with the 15-member board, instead of going to any of the meetings," Butler said.

A general meeting will be held at noon Nov. 15 in the Colonial Cafeteria, 2726 Stanley, Amarillo, to discuss

FROM THE CANYON RIM

Justice of the Peace R.H. "Raz" Ford has recanted and says he does not intend to discriminate against Randall County folks even if Canyon JP Bill Wilson did slap a $50 fine on a Floyd County commissioner.

"It was just a couple of silly damned kids yakking at each other and that's all it was," Ford opined Wednesday. "And now every paper in the state has picked it up and run it."

"You go ahead and come on to Lockney. You'll find I'm one of the most decent guys in the state and it won't cost you no $52.50 if you happen to forget yourself and speed a little while you're down here.

Ford last week had a telephone rhubarb with Wilson over a $50 fine assessed Floyd County Commissioner Edwin Jarrett who, Wilson said was accused of going 95 miles an hour in a 70 mile an hour zone.

Then in a letter Ford promised dire consequences in retaliation if a Randall motorist is ever caught speeding in his precinct.

Ford, a 62-year-old retired farmer, has been a peace justice for 18 months now.

Seldom has a story of any magnitude in the pages of The Canyon News caused as much comment as the one of Ford's outburst accompanied by a reproduction of his letter to Judge Wilson.

"Forget about it and come on down to Lockney," Ford invited. "We'll treat you right."

***

The sad thing about Ford's letter is that it will be used as evidence that common folks just aren't qualified to serve as justices of the peace.

There is a move afoot right now to restrict the office, as well as that of county judge, to attorneys.

In my conversation with Judge Ford I found him to be a man of high good humor. In spite of his spelling in the letter to Judge Wilson and his efforts to get a fine reduced for a friend he sounded like a man who might be well qualified to sit in judgement on the type of cases that come before a justice of the peace.

Attorneys just about control the legislative halls of this country now.

They constitute our judicial branch of government 100 percent and I'm not even certain that this is absolutely necessary.

I concede that a trial judge must be a lawyer but I think it would be healthy for this country if two members of the Supreme Court were astute laymen bringing common sense instead of legalistic jargon to the high court.

After all, the people who founded this country were not all lawyers.

***

Apathy sent the water amendment down to defeat two years ago. It was defeated state-wide by less than 6,000 votes.

And apathy is still with us.

Jim Fletcher called a meeting of the Randall County Water Association Tuesday night and only a half dozen farmers showed up.

We'll have to have more grass roots support than this if any water plan is to work.

***

Water Inc., still is talking about a big ditch to bring water from the lower Mississippi into Texas and Eastern New Mexico at a cost of about $10 billion.

It's going to take 20 years to get the job done even it things go well and on schedule. California's canal system from north to south was started in 1945 and just now is being completed.

Astronaut Tom Stafford told us while he was here last spring that giant steps are being made in cloud harvesting as a by-product of the space program. Cloud harvesting may make the big ditch obsolete before ground is broken to begin it.

***

Rep. Ben Bynum and Mrs. Audrey Bruse, Randall County tax assessor-collector, crossed swords Monday over the new Texas voter registration law.

Basically Mrs. Bruse and Bynum were at odds over cost of administering the law. Mrs. Bruse says it will cost the county $20,000 a year and Bynum says it will save the county money over the long haul.

The thing I don't like about the bill is that it requires the county to literally hunt down voters who move and encourage them to register.

I think there should be central places in each county to register and those with enough interest to do so would register and vote.

Bynum says he agrees with me on this and although he was one of the architects of the present law he declares that he and his associates got the best law they could get passed under the circumstances at the time. He admits it needs revision in places.

I don't even think agents should be allowed to go out and register voters. Registration should be voluntary and a citizen shouldn't mind going to a little trouble to do it.

Any other method leads to bloc voting and bloc voting is one of the worst enemies of good government.

Our World

BY ANN BROWN

One editor says American politics are controlled by republicans, democrats, and bureaucrats. And regardless of which party is elected, the bureaucrats rule.

Americans are fairly evenly divided: about half of them blame the republicans for the mess we are in, and about half of them blame the democrats.

Perhaps we should take a closer look. We might find another culprit.

Who took over our public schools? Changing administrations has made no difference whatever. The Bureau of Health, Education, and Welfare is still running the schools.

Who controls American incomes, and prevents a man from passing his estate to his heirs? The Bureau of Internal Revenue.

Was it a democratic President who got us into the longest, most costly war in American history, or was it his bureaucratic advisors? Vietnam has destroyed more Americans through disillusion, drugs, and disease than it has through bombs, bullets, and booby traps.

Who dragged us into the quicksand of foreign aid? It was the Secretary of State and his fellow bureaucrats who conceived this plan that has beggared America, and created enemies for us all over the world.

Nigeria reportedly said the mere $35 million we have been sending them each year is no aid to their economy. The $383,600,000 we've sent them since 1946 may have been no blessing to Nigeria, but it would have paid a little interest on our national debt.

Then if we add the 8 billion plus dollars we've given India, 7 to England, 7 to France, 5 to Turkey, 5 to Italy, 4 to Pakistan, 3 to Greece, more than 2 each to Yugoslavia, Spain, and the Netherlands, 1 plus to Austria, Belgium and Luxembourg, Chile, Colombia, Indochina, Indonesia, Iran, Laos, Norway, and Thailand, it adds up to $62,540,200,000. That would have made a big payment on our national debt.

Yet not one of these nations supported us in the recent crisis in the U.N.

Anyone who thinks America is still a leader in world affairs should check the roll of the nations following us.

The U.S. has poured billions of dollars, and the lives of millions of our finest young men into unselfish efforts to help our neighbors — friend and foe alike, and has asked only friendship in return.

Russia has taken what she pleased from whom she pleased, and given nothing to anyone unless it served her own ends.

But when the times comes to stand up and be counted, the majority of the world stands with Russia. If we have made so few friends with so much, how have the communists made so many with so little?

It was neither democrats nor republicans who got us into this dilemma, it was bureaucrats.

Every taxpayer who appreciates the Senate's courageous effort to extricate us from this bottomless pit of foreign aid should write his senators and the President, and tell them so.

And then ask them to get us out of that expensive bureaucratic boondoggle called the United Nations.

Bureaucrats are not accountable to the voters, but senators and Presidents are.

Flash, flash, double flash..do you want to see some really top-flight tennis playing?? Of course you do...and this opportunity is knocking at your door. The one and only Troy Waltke of Saint Louis, Missouri is jetting down to Texas to get in some real serious tennis playing with the gallant, fantastic young men on Coach David Kent's West Texas State University Tennis team.

To give you a little back ground on Troy.. he is ranked in the top six in the nation in the age 16 and under, is is presently attending a very exclusive private school in St. Louis, the Country Day School, has played at such imminent campusesasTrinity in San Antonio, and will probably be offered around 150 tennis scholarships.

If that isn't enticement enough, just think who Troy will be playing — the one and only Leo Estopare and Paul Tobin. Also joining in the action will be John Phillips, Mike Bolton, Dale Corbin, Steve Bailey, Mark Nabors, John Mickie, Joe Carrick.

Well, all this will begin around 10:30 on Saturday morning and around 11 a.m. on Sunday. Troy is expected to town on Friday evening and will leave on Sunday. Troy is expected to town on Friday evening and will leave on Sunday. In case you do not readily remember, Coach Kent's Tennis Team was the ONLY sport to win any championships in the Missouri Valley Conference last season and last year of course was the very first year for W.T.S.U. to play in the M.V.C.

So, we shall see you on the W.T. tennis courts Saturday a.m. and if the weather is inclement, we'll just motor across the street to the lovely Activities Center — see you there.

A giant "Hello" to our very special friend, Mrs. Guy "Doris" Bufkins who is now home from a recent trip to thehospital. Doris, Baby, we send a big get well wish to you via this by-line. And what we send to Doris, we send to Frank Hanson in spades. We do hope you are feeling a bit better, our dear friends.

A Happy Birthday to Bryan Young.

Our sincere sympathy is extended to the J.L. Riley family in the loss of Jay's father in Arizona.

Another little reminder to you all to support the chili supper at Gene Howe. You remember it is the 12th — that's next Friday evening and the kiddos are taking the tickets home this week to get the ball rolling.

So, be sure and do your share and go up and have some good eating and great fraternization (is there such a word).

Happy Birthday to Mr. Carl Johnson, don't know how old Carl is, but personally I think it is just the right age. (ha)...

Several of our ladies in the area are getting involved in a program that you might want to consider — how about ice skating.

That Betty Dozier, Kay Riley, Margaret Ingram and Lois Nix are going every Tuesday afternoon to the Ice Arena for the Executive's Housewives Skating Club.

And speaking of ice skating several of the men in this area are fixing to build an ice arena on the South or West side of town. Boy, it will be really first class, with a seating capacity around 2,000 or 2,500, snack bar, lounging tables, fire place, etc. The cost of the arena will funded through the sale of $100 debentures with a guaranteed interest rate of 7%. If you want to invest some of your surplus monies, here is an opportunity to become involved.

According to Joe Nix anyone who comes to skate now for the first time on Sunday Afternoon will receive free skating instructions. Perhaps we will see you on the ice too, as well as the tennis courts. Wow, won't we more mature citizens of the community be in good physical shape if we continue to play tennis and skate.. don't let some of us get ahead of the rest of us....

Well, this time next week, our bodies will be in Caracas. And, our very capable friend, Troyce Mulherin has graciously consented (graciously could well be a misnomer) to do this by-line. So you all call her your news and she will relate it to the rest of the community. ETS Exam Set Dec. 11 At WTSU

The Educational Testing Service's Graduate Record Examinations (GRE) will be given Dec. 11 at West Texas State University.

Undergraduates and other persons planning to attend graduate school may take the test, said Dr. Kenneth Waugh, director of the Testing and Counseling Center at WTSU.

Deadline for applications is Nov. 16. Applications received after that date through Nov. 23 will incur a $3.50 late registration fee, Waugh said.

The GRE includes an aptitude test of general scholastic ability and optional advanced tests measuring achievement in 19 major fields of study.

Registration forms are available at the WTSU Testing and Counseling Center.

GRE test dates next year are Jan. 25, Feb. 26, April 22 and June 17. All tests will be administered at 8:30 a.m. in Room 201 of the University Complex South.

Home Burns

A mobile home belonging to Mr. and Mrs. Tom Buckley was destroyed by fire Tuesday night at the Siesta Trailer Park.

Captain Joe Rice of the Canyon Fire Department said that the cause of the fire had not been determined.

Seven pieces and 16 firemen went out at 7:15 p.m. and returned to the station at 10:15.

Mr. and Mrs. Buckley are staying with his mother, Mrs. Ed Phipps while they look for an apartment.

We realize how much the family is expecting of us, and we go out of our way to fulfill even the most seemingly minor need.

No need that the family has is really minor to us. If something will be of help, it deserves our fullest efforts.

ELDERS STEVE HANEY and RALPH ALGER

Two In Mission Program

Two young men now in Canyon are among 14,000 throughout the world who giving two years at their own expense to do mission work for the Church of Jesus Christ of Latter Day Saints.

The two are Elder Steve Haney of Orange County, Calif., and Elder Ralph Alger of San Jose, Calif., each 20 years old.

The pair have been in Canyon for about a month and expect to stay until sometime in May. They work with the local LDS congregation, which meets at the building which used the house The Red Barn across 23rd Street from the WTSU campus, and do a great deal of door-to-door "tracting." "We've really had a lot of success with the younger people here in town," said Haney.

The two are also doing work in the surrounding area — Happy, Hereford, and other nearby communities.

The young missionaries' major emphasis is on the teachings and importance of "The Book of Mormon."

The book, said Haney, "Covers the time of 600 years before Christ to 420 years after Christ and is the writings and teachings of the prophets who lived here in the Americas."

"It also tells about the visit of Christ to these people after His crucifixion in the old world," Alger added.

The missionaries said that the book doesn't take the place of the Bible, but is a new witness for Christ.

The church is starting a student association on the WTSU campus, said the two A faculty member will probably head it, but Haney and Alger will work with it.

The young men have no formal or seminary education. In fact, the denomination has no professional ministry, they explained. Members of the congregation are called upon to preside over each area.

In Canyon, Jerry Thompson is branch president. Members of the local group of about 50 are assigned to speak in the services in turn.

The two missionaries in Canyon plan to return to college when they have completed their service. Haney will finish in May. Alger is committed to 16 more months of the work and, in May, will be transferred to another area.

Meeting times for the Canyon congregation are 10:30 a.m. Sundays for Sunday School and 5 p.m. Sundays for worship.

Zimmerman Rites Held On Monday

Funeral services for Edgar D. Zimmerman, 606 16th St., were held Monday afternoon in LaGrone Funeral Chapel.

R.D. Erhard and H.F. Nantz, Jehovah's Witness ministers, officiated.

Zimmerman, 85, died Saturday evening at Southwest Convalescent Home in Amarillo.

He had lived here for four years, coming from Harlingen. He was born in Bourbon, Mo., Aug. 26, 1886. He was a retired farmer and a member of the Methodist Church.

He was married to Miss Edith Eldredge Sept. 13, 1905, at Sullivan, Mo.

Pallbearers were grandsons John and Don Winget, Eugene and Lynn Noel, and Dan, Ron, Carl, and Donald Lee Zimmerman.

Survivors in addition to his wife are three sons, Don of Hereford, Howard of Long Beach, Calif., and Ed of Oklahoma City; two daughters, Mrs. M.J. Noel and Mrs. Albert Meyer, both of Canyon; two brothers, Lee of Long Beach, Calif., and Charlie of Balko, Okla.; one sister, Mrs. Amy Maxwell of Oklahoma City, 15 grandchildren, and 26 great-grandchildren.

Artists To View Salt Painting Demonstration

Mary Hamilton Mitchell will demonstrate salt painting at a meeting of the Happy Artists Studio Club at 7:30 p.m. Friday in Zelma's Studio.

Officers for the club's second year are Ruth Maynard, president; Zelma Selvidge, first vice-president; Ernestine Danner, second vice-president; Lawana Selvidge, recording secretary; Irene Hardaway, corresponding secretary; Mary Womack, treasurer; Gay Fellers, parliamentarian; Nig Taylor, hospitality chairman; Kathy Moudy, historian, Joy Cox, photographer; Helene McFarland, publicity chairman; Eddie Wilson and Sherry Altman, membership chairmen, and Kay Burks, Aline Adams, Kay Spear, and Leatha Fullerton, telephone chairmen.

"Fiddler" To Open Wednesday

Mail order ticket sales have begun for the West Texas State University Opera Workshop production of "Fiddler on the Roof", the musical tale of the joys and sorrows of Yiddish life, to open Nov. 10.

The inter-departmental production of the School of Fine Arts will play Nov. 10-12 and 17-19 in the WTSU Branding Iron Theatre.

Tickets are priced at $3 for adults and $2 for children and non-WTSU students. WTSU student tickets, free with presentation of ID card, will be available beginning Nov. 1 in the Branding Iron Theatre box office.

Taking the leading role of Tevye, the all-suffering Russian dairyman and direct communicant with God, is baritone Royal Brantley, associate professor of music at WTSU for 18 years. Brantley is also musical director for the production.

Other leading cast members include Vicki McCormick, Dumas senior, as Golde, the virago wife of Tevye; and Genie Knighton, Longview junior, Vicki McFarlin, Fritch junior, Linda McNeil, Amarillo senior, Barbara Huckert, Summerfield sophomore, and Susan Dollar, Dumas freshman, as the five husbandless daughters.

Also cast are Stephen Hilton, Canyon junior, as the tailor; Rene Clemente, El Paso junior, as the suitor; Margaret Hathaway, Canyon senior, as the matchmaker; Janice Perkins, Canyon senior, as the grandmother; Dennis Richardson, Lubbock junior, as the rabbi's son; and Travis Dean, Amarillo freshman, as the fiddler.

Chorus soloists are Sheila O'Keefe, Amarillo freshman, and Linda Pinkerton, Coppel sophomore.

Stage direction is by William A. Moore of the speech department, with his wife, Margaret Echols Moore, assisting as acting coach. Neil Hess, Amarillo dance instructor, is choreographer, James Kemmerling, instructor in speech, is technical director, and Jerry Doan, instructor in music, is assistant musical director.

Described by critic Henry Hewes as a "Chagallian Fantasy anchored in wry, harsh, but loving observations," the musical was taken from the book by Joseph Stein, based on the folk yarns of Sholem Aleichem, which depict the Jewish community during the persecutions and pogroms of Russia of the early 1900s.

The musical production by Harold Prince, which opened at the Imperial Theatre in 1964, has since garnered top awards, including the New York Drama Critics' Best Musical Award and nine Tony Awards, and has enjoyed a record-breaking run on Broadway.

Zero Mostel, who starred in the original Broadway production, received lavish praise from the citics as Tevye, "the sort-of Jewish Every man" beseiged by a shrewish wife and five dowryless daughters.

The show blends pathos and a humor which has been described as that variety which comes "from the bottom of the barrel of life — from the jokes people make when thing's can't get any worse."

Music is by Jerry Bock and lyrics by Sheldon Harnick. Among best-known tunes from the musical are "Sunrise, Sunset," "If I Were A Rich Man," and "Miracle of Miracles."

Mail orders may be addressed to Fiddler on the Roof, Box 275, W.T. Station, Canyon, Texas 79015.

Mills Praises Eagles For Dumas Defeat

In a Tuesday night Eagle Booster Club meeting head coach Ron Mills praised many of his gridders for their efforts in the Canyon win over Dumas, but singled out Bob Counseller, Van James, Ric Edmondson and Bob Glisar as outstanding.

Sophomore, 228 pound tackle Counseller and 190 pound senior linebacker James were tabbed for their defensive play. Senior running back Edmondson and guard Glisar were the top offensive players.

"I feel like Chuck Wright had his best ball game (of the year). It was cold and wet, but he still handled the ball well. We only had one fumble that night," Mills said.

Mills said that he felt that the game was a good overall team effort and many boys had their best ball games of the year.

It was announced that all future booster club meetings would be held in the high school audio-visual room.

Three Tackles Named Outstanding Players

Three tackles were named the outstanding players of the week by head West Texas State Buffalo Gene Mayfield.

David Denny was tabbed the outstanding offensive player of the Wichita State — Buff game. Denny, who has 5-10 x 185 pound dimensions, was credited with five unassisted and six assisted tackles.

"There was only one play during the entire game in which Denny could have made a play that he didn't," said Buff defensive coach Leldon Hensley.

The Borger product missed several games earlier in the season due to a knee injury, but worked his way back into a starting defensive position "Denny played as near his potential as did anybody in the game. He is very small and must play against boys every week that outweight him 30 or 40 pounds," Mayfield added.

Willie Walker and Joe Fiola were picked as the outstanding offensive players of the week. "There wasn't enough difference in their play to seperate them for player of the week honors," commented Mayfield. "They managed to get their men blocked and did it with consistency. It was the best game either one has played all year."

In the Wichita State game, the WTSU offense, which had been almost impotent all year suddenly came alive and scored 31 points. "I am very pleased with our offensive improvement. We had a pretty balanced running attack," Mayfield said. "There really wasn't much need to pass."

"We didn't play nearly as well on defense as we have in past games. I was kind of disappointed in that respect. But Walter Hibbler played his usual good game. It is uncanny how (quickly) he can move," Mayfield stated.

Mayfield said that the coaches would like to think that the Buffs could play every team like they played Wichita State. "We predicted pretty well what they would run against us and we didn't have many problems. "We play like we are inexperienced in some ways," Mayfield said,, "When someone throws someting new at us it takes us too long to adjust."

Borger Tops Canyon Eighth Grade Team

The Canyon eighth grade Purple teamers fell 20-6 to the Borger South eighth graders Saturday in Borger.

Borger jumped to a one touchdown margin in the first quarter. The Canyon team tied in the score early in the second quarter on a 10 yard run by Don Thompson.

The tie did not last for long however as Borger scored another TD shortly before the half ended. The Borger team added another tally in the fourth quarter.

Stan Prichard and Allen Shankles were named the outstanding offensive and defensive backs respectively. Wayne Robinson was tabbed the outstanding offensive lineman. Prichard rolled up over 100 yards rushing during the tilt.

The Purple team was to have played River Road of Amarillo Tuesday night.

LEGALS

This is official notice to the public that West Texas State University in Canyon, Texas has made applications to the Federal Communications Commission in Washington, D.C. to construct a 10-watt non-commercial educational FM broadcast station on the WTSU campus. Under authority granted by the Board of Regents of WTSU on January 25, 1970, University President, Dr. James P. Cornette signed the application for construction permit on October 5, 1971. The station, studio and transmitter, to be located in the Fine Arts Building on the campus, will broadcast from a 61' high antenna atop the building at a frequency of 91.1 mhz (channel 216) and is not expected to cover more than a five to six mile radius of Canyon.The proposed station with requested call letters KWTS, will be operated by the Department of Speech, Dr. Jack H. Walker, Head, under the direct supervision of Mr. Robert B. Sanders, Director of Radio/Television for that department. Further information may be obtained by contacting Mr. Robert Sanders between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday (phone 656-3248 or 656-4289) in room 176 of the Fine Arts Building, WTSU. Comments regarding the approval of this application may be directed to the Federal Communications Commission, Washington, D.C. 20554.

Students Plan "Lights" Ceremony

Although it is nearly two months until Christmas, a group of West Texas State University students are preparing for the yuletide season.

The students make up the committee of the WTSU Christmas Carol of Lights, a bright and colorful observance of the holidays.

Jim Holston, program director of the Activities Center, is in charge of the program designed to light the campus Dec. 5 through Jan. 1.

"We will order approximately 12,000 feet of wire, 4,400 bulbs, and other things needed to light the buildings. The cost will be somewhere in the vicinity of $1,500," Holston says.

In addition to the Old Administration Building illuminated last year, the group plans to string lights on the Science Building, the Library, the new Administration Building and part of the University Complex South.

The actual stringing will be done by the university maintenance department and the counter-guerrillas, a ROTC extra-curricular group.

Saundra Meek, assistant dean of women who is in charge of raising the money, says fraternity and sorority members will conduct a door-to-door campaign asking towns people to buy a 10-cent bulb to be used in the display.

Four committees with a total membership of 40 students are working on the lighting program.

At 8 p.m. Sunday, Dec. 5, in front of the Old Administration Building, the WTSU "Christmas Carol of Lights" will officially begin. The program will include a performance of the WTSU Chorale and a brass choir, singing of Christmas carols, and the ringing of the chimes of the Joseph A. Hill Memorial Chapel.

Rev. Jim Bethell of the United Campus Ministry will be in charge of the religious aspects of the program.

The public is invited to attend and support this spectacular seasonal show. Contributions can be sent to WTSU Christmas Carol of Lights, Box 277, W. T. Station, Canyon, Texas 9015.

Brown Gets Promotion

Nolan E. Brown was promoted to the rank of lieutenant in a recent ceremony on board the USS Samuel Gompers, Flagship for Commander, Cruiser-Destroyer Force, U.S. Pacific Fleet. The promotion is retroactive to July 1.

He is married to the former Miss Janie Fisher of Canyon.

Lt. Brown attended Follett High School, and holds a Bachelor of Science degree from West Texas State University. He began his naval service in February, 1968, and attended Officer Candidate School, receiving his commission in June, 1968.

Lt. Brown's first assignment was on board the destroyer tender USS Prairie, where he served as communications officer and assistant navigator, until June, 1970.

He is presently serving as communications officer and crypto-security officer on the staff of Commander, Cruiser-Destroyer Force, Pacific Fleet, headquartered in San Diego, Cal.

Lt. and Mrs. Brown live at 4070 Wabash Ave., San Diego, Calif.

Pioneer Club Workers Honored

A group of 13 pioneer club women were honored Monday night by the Federated Women's Clubs of Canyon. The occasion was a dinner in the Canyon Community Center.

The honorees were recognized for over 40 years of club work and are to be featured in an issue of "The Texas Club Woman," the state Federated Club magazine.

The Woman's Book Club claims membership of 10 of the women. They include Mrs. Clyde Warwick, who has a record of 59 years in club work; Mrs. T. V. Reeves, 56; Mrs. Thomas B. McCarter, 48; Mrs. J. W. Kleinschmidt, 46; Mrs. C. A. Murray, Mrs. Ray Campbell, Mrs. T. H. Knighton, and Mrs. H. E. Campfield, each with 44; Mrs. S. H. Condron, 43, and Mrs. W.T. Green, 42.

Three charter members of the Sue Hite Club have 46 years of work behind them. They are Mrs. Dewey Foster, Mrs. Levi Cole, and Mrs. Hud Prichard. The Sue Hite Club was established by the Woman's Book Club in September of 1925.

The Woman's Book Club is the oldest study club in Canyon. It was organized in October, 1906, according to Mrs. Dorothy Neblett, who spoke on the club's history at the Monday night dinner. It sponsored the first public library in Randall County, and organized the Junior Woman's Book Club, later the University Study Club, in 1953.

MRS. WARWICK joined the club in 1912. She was president in 1921-22, and has served as district secretary for the Federation. She has been club secretary and served on the Library Board.

MRS. McCARTER was club president from 1925 to 1927. She served on the Library Board and on many other committees.

MRS. KNIGHTON was president in 1931-33 when the club cooperated with county commissioners and the City Federation to make Dreamland Cemetery an independent, perpetual-care corporation.

MRS. CONDRON was president of the group from 1943 to 1945. She has been secretary and treasurer and served on other committees.

MRS. KLEINSCHMIDT became a member of the Woman's Book Club in 1925 and served on the committee that organized the University Study Club. She has also been treasurer and secretary of the group.

MRS. CAMPBELL served as president from 1933 to 1935. She was on the Library Board and served a term as secretary. With Mrs. McCarter and other members, she aided in the beautifying and care of the land just west of the hospital, then destined for a city park.

MRS. MURRAY, now an auxiliary member of the Woman's Book Club, has served on all of the various club committees.

MRS. REEVES became a member of the Woman's Book Club in 1915. She made district programs for seven years and was a member of the Federation's District Board for 25 years. She served on the State board for six years and has contributed articles to the "Texas Club Woman" and "The National Women's Magazine."

MRS. GREEN, now an honorary life member, was called on to provide many programs over the years and is still remembered for them.

A picture of Mrs. Green was not available.

MRS. CAMPFIELD served on many committees in the club and is still active. She was one of the members who helped with the decorations for Monday's dinner. She began her club work in Spearman and moved to Canyon in 1940.

The Sue Hite Club, originally named the Junior Woman's Club, was also active in helping to organize the library and its members took turns working there. Girl Scouts, mental health, and other community services as they needed help have also been among their projects.

MRS. PRICHARD was the first secretary and second president of the Sue Hite Club. She was among those who took turns working in the public library during its early years.

MRS. COLE has held continous membership in the club since it s 1925 inception and believes she has filled every office in the organization. She was a delelgate to the City Federation for a number of years, served on the library board and holds library cardNo. 4

MRS. FOSTER has been Sue Hite president twice and served as a Girl Scout leader. She was the club's first parliamentarian, and filled other offices as well.

Mrs. D.L. Allison To Attend Meet

Mrs. D.L. Allison of Happy is among members who expect to attend a meeting of the Panhandle Coordinating Child Care Council at 10 a.m. Saturday.

The meeting agenda will include summaries of workshop group reports from the council's last meeting. The reports deal with the needs and training of people who care for children.

Mrs. Allison is a member of the group's public relations committee.

Pond Elected CJCA Officer

Randall County Judge Woody Pond has been elected secretary-treasurer of the County Judges and Commissioners Association of the Panhandle of Texas.

Pond began serving a one year term Oct. 8.

W.R. Breeding, county commissioner of Collingsworth County is the new president of the association.

County Urged To Join Group

A plea for Randall County Water Association to join Water Inc., was made Tuesday night at a meeting attended by fewer than a dozen farmers.

The meeting was held in Randall County court house.

Jim Fletcher, official of the county group, said action on the request which was made by Tom Williams, Lubbock, representative of Water Inc., would be delayed until a more representative group could be assembled.

A meeting is set for Nov. 16.

Williams told his listeners that if work were to go well water from the lower Mississippi could not be imported until somewhere 1885 and 1890.

Williams said Water Inc., now has 2,500 members but is shooting for 3,000. He reported that a feasibility report by the Corps of Engineers on the project would be ready by 1973 and that Bureau of Reclamation work on it is well ahead of schedule.

Plans call for pumping water into this area and to other parts of the state by means of a canal from the lower Mississippi.

Williams noted that a part of the aim is flood control in the Mississippi River area. The project is expected to cost about $10 billion. It would be the most ambitious water moving project in the history of man, Williams declared.

Birth Of Son Told By Whites

Mr. and Mrs. George O. White, 201 Bordeaux, are the parents of a son, Todd Cecil, who was born Oct. 19 in Neblett Memorial Hospital.

The child weighed 7 pounds 7 ounces.

White is employed by the United States Postal Service.

Mr. and Mrs. C.J. Leavitt of Tulia are the maternal grandparents.

The paternal grandparents are Joe A. White of Homer, Ga., and Mrs. Jimmy Crowder of Jefferson, Ga.

Prichard Named October Student

Clifford Prichard has been named October Student of the Month by the Future Business Leaders of America at Canyon High School.

Clifford is this year's vice-president in charge of programs for FBLA, and a leading yard gainer on the Eagle football team. In October he carried the ball 38 times for 171 yards.

A popular student, Cliff is also president of the C-Club, and is an active member at First Baptist Church.

Umbarger News

BY SUSAN DOLLE

There is no denying it; there are a few wrinkled brows and worried frowns concerning this year's harvest. The fields don't have a chance to dry out before another shower comes along. Mr. Ben Buecker said, "We prayed for rain; now we have to take it." Farmers are thinking back to the years similar to this one; 1957 was another time when it was too wet to make short shift of the harvest. It is times like these that make a regular pay check inviting.

Hats off to three young people who made outstanding contributions to their community this past week. Gary Gerber, son of Mr. Mr. and Mrs. Ray Gerber, was chosen player of the week for his performance against the Dumas Demons Friday night. Besides intercepting a pass and running for fifty-five yards, the breaking of a long-time jinx has to be the highlight of any high school player's career. But Gary will probably have more highlights to add before his is finished. Mary Raef, daughter of Mr. and Mrs. L.L. Raef, was crowned queen of the Halloween Carnival Saturday night. And Jan Wieck, daughter of Mr. and Mrs. L.J. Wieck, was elected historian Tuesday at the district meeting of the Future Teachers of America.

Mrs. Ellen Matney of Canyon was guest speaker at the regular meeting of St. Mary's Altar Society Tuesday night. She was accompanied by Mrs. Fred Wieck. Mrs. Matney spoke of her travels around the world. Mrs. John Wieck presided during the business meeting. Refreshments were served to twenty members by Mdms. R.D. Friemel, R.E. Friemel and Vincent Friemel.

Pistols and Petticoats Square Dancing Club celebrated Halloween night with a costume party in the parish hall. Among the outstanding costumes worn, four were chosen for awards. Jim Skarke, Mildred Wieck, Shirley Lindeman, and Steve Thompson were recognized. Apple cider and cupcakes were served to members and guests. The club will dance again on the first Sunday, Nov. 7.

Mr. and Mrs. Max Hoffman were honored last Sunday by their children on the occasion of their 43rd anniversary. Present to enjoy cake and homemade ice cream were the families of Carl Kleuskens; Charley Heymer; LaDean Adams, Max Hoffman, Jr.; Carroll Adams; Darroll Adams, and Gerald Adams.

Mrs. William Adams spent a week visiting with her children LaDean, Carroll, Darroll, Harroll and Gerald. She is a former resident of the Umbarger area.

The Festival is coming — it is only a week away. Pork and beef have been donated to make the sausage next Thursday. Here's hoping by November 14 the sun will break through and there will be happier faces here.

Two Men Picked For State Boards

Two Canyon men were elected to major positions on Texas Baptist boards during the annual meeting of the 1.9-million-member Baptist General Convention of Texas in Houston Thursday.

Dr. James P. Cornette, president of West Texas State University, was re-elected as a trustee on the Board of High Plains Baptist Hospital, Amarillo.

Gene McGlasson, Jr., partner, McGlasson & Dowlen, attorneys, was re-elected as a trustee on the Board of Texas Alcohol Narcotics Education (TANE), Dallas.

Malone Talks To Students

J. Pat Malone, executive vice president and director of the First National Bank of Hereford, was to address School of Business students at West Texas State University Wednesday.

He was one of a series of guest lecturers to appear before Business Administration class 475 during the current academic year. The outside speakers relate their business experiences to the students.

Malone, who was with the First National Bank of Amarillo for 20 years before affiliating with the Hereford bank earlier this year, attended West Texas State University and was a member of the first graduating class of the Southwestern Graduate School of Banking at Southern Methodist University.

Bozeman Arrested By Metro Squad

George Lewis Bozeman, 1012 Fifth Street in Canyon, was arraigned Monday before Justice of Peace W.A. "Bill" Wilson on charges of allowing his property to be used in connection with bookmaking.

Bozeman, whose bond bond was set at $1,000, was arrested Saturday morning by members of the Metro Squad.

WHAT IS HISTOPLASMOSIS?

It is a fungus infection of the lungs contracted by breathing contaminated dust. It is more likely to be found in rural areas than in urban, since this fungus affects animals also. It tends to be a comparatively mild, but chronic, sickness. Most cases offer no serious problem.

Its danger is that it can be confused with tuberculosis and some people having it are afraid to go to a physician fearing a tuberculosis diagnosis. Never have any fear when visiting a physician. The least he can do is to help you live longer and more comfortably.

the proposed by-law changes.

In other action Monday, commissioners heard a request from Mrs. C.S. Thompson to put caliche on a dirt road in front of her house, which is located just out of the southern city limits of Canyon.

Commissioner Glenn Dowlen said if caliche were put on the road it would make the corridor higher than Mrs. Thompson's driveway.

"But we have to do something," she stressed.

She recommended the county grade the road down and then add the caliche, so her daughters would not have to walk through the mud to catch the school bus.

Commissioners agreed to investigate the request.

A resolution was passed to name Stanley K. Davis, 3913 Linda in Amarillo, and S.O. Callahan III, 3439 Amherst, Amarillo, indefinitely to the Joint Airport Zoning Board.

Also A.L. Crossland was named chairman of the Veterans Land Board after commissioners accepted the resignation of John Brazzil who held that position.

County dads also agreed to purchase a $1,000 bond.

improve," Mills said, "We have shown quite a bit of improvement since district started, especially on defense. Overall I think we played our best game of the year against Dumas."

Perryton, who has bee tabbed all year as on of the teams to beat in 1-AAA, were dumped last week by the Levelland Lobos and are now tied for second with ahost of other teams. The Eagles are only undefeated team in the district and are in sole possession of first place.

"Chuck Wright is now confident and seasoned and he probably knows our offense better than anyone," Mills said with somewhat more confidence than in past weeks. But should the number one signal-caller be injured Canyon can still rely on Mike Shadxi or Bill Moore at that position.

Teams that have run options plays at the 5-3 or 6-2 Ranger defense have done the most damage, but Mills warns, "They have a very quick and strong middle linebacker who is probably the best we have faced all season.

"It all depends on how they adjust to our Wing T formation, how our offense will do against them."

Since the beginning of the season the Eagle starting lineup has changed considerably. "We have changed our lineup quite a bit. During the pre-conference games we tried to play as many different people at as many different position as we could. But since district play has started we have tried to play only our best boys and I think it has helped us quite a bit," Mills concluded.

Game time in Perryton is 7:30 p.m.

In addition to the motor inn, permits were issued for two homes, a carport, one enclosed garage, two storage buildings, an addition to a residence.

The 1971 October figure of $457,00 compares to last year's total of only $16,210. The year before October showed $47,800 in building permits issued during the month.

which surprises me. We had planned to use him against Wichita — but we got 20 points ahead by halftime and should have been 35 or 40 points ahead, and I just couldn't bring myself to change quarterbacks at halftime," Mayfield said.

"David Land and Larry Matthews were shaken up in the Wichita State Shocker game, but appear to be at full speed and strength now, and I see no reason why they won't play against New Mexico State," according to Mayfield.

The Aggies have beaten Drake, North Texas and the University of Texas at Arlington this year, while suffering losses to Utah State, 34-0; SMU 28-25; University of Texas at El Paso 14-7 and Idaho, 19-14. They tied New Mexico 35-35.

Game time is 7:30 p.m.

tinued. "This is encouraging to the parent and helps them stay optimistic."

She also stressed when a child needs to repeat a grade, the teacher begins early counseling with parents.

Mrs. Jantha Hampton, counselor in the LLD program, pointed out often a school system is designed to reward recall only, and this will kill creativity in a youngster.

"We want each child to achieve success in some area," one counselor explained.

"Motivation is the answer," expressed school board president Dudley Moore.

"Often it is hard for the child to put it all together," Mrs. Holt declared.

Mrs. R.B. Gist, special education counselor and diagnostician described her job working primarily with elementary and junior high students.

"It is so rewarding to see a child who is terribly limited, begin to make progress and be successful in his own way," Mrs. Gist said as she congratulated board members for providing a system whereby youngsters are given special attention and care.

Mrs. Ruby Fatheree, junior high counselor, and Carroll Killingsworth, high school counselor, described testing procedures and individual counseling.

"There are no unimportant people, although we have some wasted humanity," Mrs. Fatheree said. "I wonder who has failed when I see wasted humanity."

She continued noting that the goal of the guidance and counseling program was to help each youngster work up to what he can.

"We have respect and dignity of a child's worth regardless of his level of capacity, she stressed. "We need to assist kids to become masters in all fields."

Killingsworth said the percentage of Canyon High School graduates who attend colleges and universities following graduation has dropped in the past five years from around 88-90 per cent to 70 per cent.

"We are seeing an increase in the number of students who attend vocational schools," the high school counselor said.

Superintendent Jerry Jacobs said vocational class needs are being met at the high school through several programs including early morning classes.

"We have three classes that meet at 7:30 a.m., and all are vocational classes so students can attend school and work also," Jacobs told the board.

the statement would be read to each student wishing to register to vote and that if the student says he intends to remain in the county he would be allowed to register.

She also explained parents can register students in their home counties.

Hutton pointed out students should be aware of residency requirements prior to voting.

You must live in the state for a year and in the county for six months before you can vote," he said. "But you can go ahead and register now for the May primary and still be able to vote because you would have the six months residency requirements by then."

The clerk said he expects some 10,000 students to pass through the university by the fall elections next year.

And he voiced concern with students who enroll in WT next September and have not registered anywhere prior to that.

"They will not be able to vote in the national elections in November because they will not fulfill the residency requirements," he commented.

Both Hutton and Mrs. Bruse noted that students can register within 30 days prior to an election.

If a student registers in Randall County now, graduates in May and moves to another county, then he can register in the new county, in order to vote in the November election.

All four officials urged students to register somewhere and vote in upcoming elections either in Randall County or their home counties.

"We all know the more people who vote, the more fun it is," Poff jested.

Shirley White Cooks Specialties

Mrs. Murphy White says, "I'm a special occasion cook anymore, it seems like," adding that her family likes steak and mashed potatoes and does lots of barbecuing.

For guests, she likes to make Creamy Celery Bake, and Prism Cake, which she describes as a "real festive cake."

To take to covered dish affairs, she often prepares Rice Broccoli.

Mrs. White, the wife of a rancher and farmer, is a longtime community service volunteer and the mother of two daughters, Krista, 12, and Abbejane, 8.

Her activities include service on the boards of the WTSU Fine Arts Association, the Canyon Community Concert Association, and First United Methodist Church. She is also on the boards of the Randall County unit of the American Cancer Society and the local Red Cross, and has directed door-to-door drives for both causes.

She helped organize the local campus and alumnae chapters of Chi Omega sorority and is presently their scholarship chairman.

She is vice-president and program chairman of the Fine Arts Club and was in charge of the group's 1971 yearbook.

She is past president of many Canyon organizations and was named Canyon's Outstanding Clubwoman of the year in the early Sixties.

She was the first junior chairman for the Top O' Texas District of the Federated Women's Clubs and helped to organize several junior clubs in the area.

At home, she enjoys needlework, tole and china painting, and is now planning some redecorating for the family's year-old home at 11 Hunsley Hills Blvd.

The house, which she describes as "ranch-Spanish" is going to be shifted toward blues and muted greens, according to the busy homemaker's current scheme.

As her children grow up, Mrs. White devotes more and more time to their activities. "Now, all I'm doing is following football games and that kind of thing."

Krista, the eighth-grade daughter, is a cheerleader at Canyon Junior High School.

Abbe is busy with Brownies and piano lessons.

"My primary interest now is working with the children."

Of her husband, she said, "We've done almost everything together, except his fishing.

Recipes which Mrs. White uses follow:

CREAMY CELERY BAKE
4 c. thinly sliced celery
4 tbsp. margarine
3 tbsp. flour
1 tsp. salt
1 c. milk
1 c. soft bread crumbs
2 tbsp. margarine, melted
1 3-oz. can of mushrooms
2 tbsp. chopped green pepper
2 tbsp. chopped pimiento
4 oz. American cheese (shredded)

In skillet, cook celery in the 4 tbsp. margarine till tender, about 5 min. Push celery to one side, stir in flour and salt. Add milk all at once, cook and stir till mixture is thick. Stir in mushrooms, green pepper and pimiento. Add cheese, stir till melted. Transfer to 10x6½-inch dish. Combine crumbs and 2 tbsp. margarine, sprinkle over casserole. Bake at 350 degrees for 20 min.

PRISM CAKE
1 small pkg. each orange, cherry and lime Jello. Dissolve each with 1 c. hot water, ½ c. cold water. Chill each in square pan till firm.

1 c. pineapple juice. ¼ C. sugar. Combine sugar and pineapple juice. Heat until sugar has dissolved, then, while hot, use to dissolve 1 pkg. lemon jello. Add ½ c. cold water, chill until syrupy. Butter a 9-in. spring-type pan, cover with ¾ c. graham cracker crumb crust, bottom and sides.

Fold 2 c. whipped cream into lemon Jello mixture. Then cut the other Jellos into ½-inch squares, dipping knife into hot water to cut. Fold squares into whipped mixture, pour into pan. Sprinkle ¼ c. crumbs over top. Chill overnight.

Remove sides, slice into wedges. Serve with dab of whipped cream, if yhou like.

RICE BROCCOLI
1 pkg. frozen chopped broccoli
½ c. celery, chopped
½ c. onion, chopped
2 tbsp. salad oil
Mix and steam:
1 can cream of chicken soup
1 small can canned milk
1 small jar of Cheese Whiz
Add vegetables and sauce to 2 c. cooked rice (¾ c. raw rice). Bake at 350 degrees for 10 minutes.

Mrs. Murphy relaxes with her needlepoint during a break in her busy schedule.

Bride-Elect Is Feted

Miss Karyn Johnson was honored with a miscellaneous shower Saturday afternoon in the home of Mrs. B.B. Warren, 2421 8th Ave.

Miss Johnson is the bride-elect of Ronnie Wooten.

The colors chosen by the bride, candlelight and burgundy, were used throughout the house.

An ecru cutwork cloth draped the serving table, which was centered with an arrangement of burgundy chrysanthemums and appointed with silver.

Approximately 100 guests were received by Miss Johnson, her mother, Mrs. Roland Johnson, and Mrs. W.J. Wooten, Jr., mother of the prospective bridegroom.

Hostesses for the afternoon were Mesdames Meade Humphries, Dale Killingsworth, Gene Read, Sidney Burgess, Gene Morrison, Bill Wilson, Wesley Cox, Battle Harris, Durwood Brown, George Blackwell, Harold Erwin, E.R. Reeves, Francis Shell, Kenneth Waugh, Orville Hicks, A.L. Crossland, E.B. Posey, Charles Harter, Lee Roy Moreland, Barbara Wirt, Lawrence Hunnicutt, Gene McGlasson, and Warren.

Bride-Elect Honored

Miss Debra Faye Kinsey was honored with a miscellaneous shower recently in the home of Mrs. J.W. Youngblood, 2310 6th Ave.

Miss Kinsey is the bride-elect of Ricky Duane Richardson.

Guests were served from a table set with a china tea and coffee service and silver and crystal appointments. The centerpiece was an arrangement of artificial flowers in yellow and white, the colors chosen by the bride.

Mrs. Jody Richardson registered the guests.

Hostesses were Mesdames Genelle Bourland, Noble Brown, Lloyd Buchanan, Curtis Butler, O.C. Free, A.R. Friemel, N.W. Hicks, Webster Johnson, D.C. Lindley, Walter Partridge, Tom Platt. Gort Rushmer, Riley Troth, and Youngblood.

Festive Foods Program Set

Marilyn O'Dowd will present a "Festive Foods Program" in the Farm Bureau Building Nov. 11. She will give suggestions for holiday food ideas at 10 a.m. and repeat them at 2 p.m.

The program is being sponsored by the Randall County Home Demonstration Council.

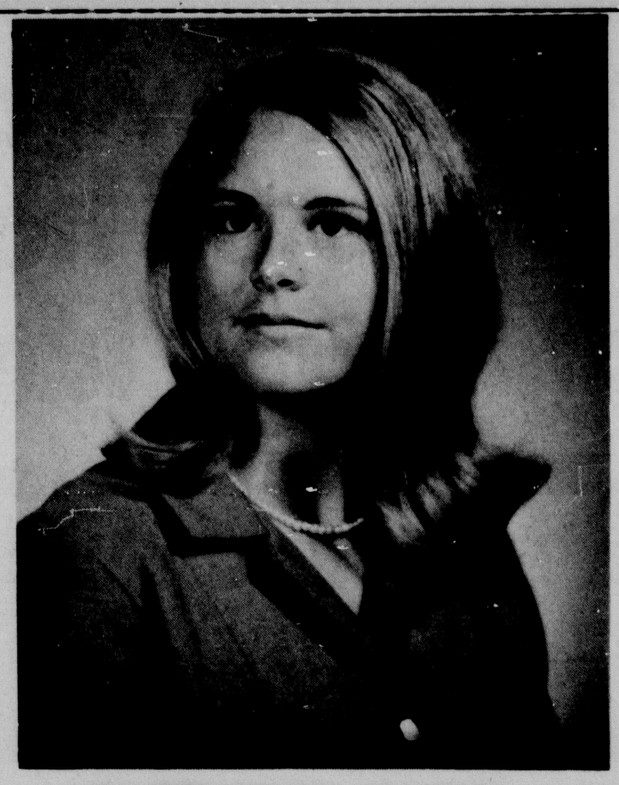
Miss O'Dowd is home service advisor for Southwestern Public Service Co.

Birth Of Daughter Is Announced

A daughter, Candace D'Layna, was born to Mr. and Mrs. Ronald D. Twiner of Amarillo in Neblett Memorial Hospital on Oct. 19. She weighed 6 pounds 9 ounces.

Twiner is a truck driver for Customized Services.

Mr. and Mrs. Guy Gunter Jr. are the maternal grandparents. Paternal grandparents are Mr. and Mrs. Bill McKandless. All live in Gustine.



MISS CRESCENT INA CLAYPOOL

Nuptials Planned For Miss Claypool

The engagement and approaching marriage of Miss Crescent Ina Claypool to John Allen Hudspeth has been announced by her parents, Mr. and Mrs. H.W. Claypool of Denver City.

The prospective bridegroom is the son of Mr. and Mrs. George Hudspeth of Brownfield.

Miss Claypool and her fiance are both attending West Texas State University. She is a graduate of Denver City High School, and he, of Brownfield High School.

Hudspeth is the nephew of the late Miss Mary E. Hudspeth, the first dean of women at WTSU.

The wedding ceremony is to take place Jan. 7 in the Claypool home.

Choir Concert Set Monday

A choir concert at 7:30 p.m. Monday in the Canyon High School Auditorium will include performances by the CHS Chorale, the Mixed Choir, and the Girls Choir.

Tom Jennings will direct the program, which is open to the public.

5 From Canyon Enrolled At TSTI

Five students from Canyon are among the 523 currently enrolled at Texas State Technical Institute in Amarillo.

Miss June B. Hodges and Miss Terra L. Perry are studying commercial art and advertising at the school.

David L. Hawkins is enrolled in its meat processing and marketing program.

Darrel Breitling is working in avionics technology.

Mrs. Carlotta J. Abbott, the daughter of Mr. and Mrs. Lewell G. Johnson, is a student in interior design technology.

Revival Is In Progress

Revival services are currently in progress at the Church of God of the Union Assembly, Inc., at the church's newly-opened building at 1200 Wolflin in Amarillo.

Rev. Jesse F. Pratt Sr., general overseer of the church from Dalton, Ga., will speak Friday night.

The services are at 7:30 each evening.

Wedding Planned For Miss Harms

The engagement and approaching marriage of Miss Leona Harms to Joe Gayle has been announced by her parents, Mr. and Mrs. Wilbert Harms of Littlefield.

Gayle is the son of Mr. and Mrs. W.H. Gayle of Seminole.

The wedding is to take place Dec. 20 in the First Presbyterian Church of Littlefield.

Miss Harms is a journalism major at West Texas State University and editor of "The Prairie," the campus newspaper. She is vice-president of Mu Kappa Delta journalism fraternity and was named to the 1971-72 listing of "Who's Who Among Students in American Universities and Colleges." She is a graduate of Littlefield High School.

The prospective bridegroom is a business management major at WTSU and a veteran of four years in the United States Navy. He is employed by Amarillo Security Control Co.

Social Security Discussed

Gerald Millard of the Amarillo Social Security Office spoke to the Highland Home Demonstration Club Oct. 27 in the home of Mrs. Boyd Elliott.

He gave the members a resume of the program's history from its 1935 beginning and stressed its four services: retirement, survivor, disability, and Medicare benefits.

Mrs. Jimmie Janssen and Mrs. Clarence Howard presented reports from the recent Randall County Home Demonstration Council meeting.

Under the instruction of Mrs. Warren Thompson, members learned to make "fur" flowers. Each member completed a flower and the arrangement was presented to the hostess.

Mrs. Bernard Grabber will be hostess to the club's Nov. 10 meeting.

Others present for the Social Security talk were Mrs. Jones Hales, Mrs. Ervin Podzemny, Mrs. Melvin McClure, and a guest, Mrs. Nora Painter of Sunray.
